3:25- 3:30	<b>Possible Topics to Discuss in Future Meetings</b>	<ol style="list-style-type: none"> <li>1) How are we supporting students' social emotional health during this time?</li> <li>2) How are we taking care of each other (teachers, parents, and students) as humans during these very challenging times? How do we connect with those in the community who are struggling?</li> <li>3) What are some things from our current reality/challenge that we were forced into, but that we perhaps want to continue after we return to normal?</li> <li>4) Is the schedule working? Some students are eating very early and some are eating very late? What about students who are having recess before lunch -- how is that going?</li> </ol>	

Strategic Objective 1: Increase alignment to a guaranteed and viable instructional model.

Strategic Objective 2: Increase fidelity to a tiered system of supports.

Strategic Objective 3: Ensure allocation of resources is responsive, accountable and focused on student growth.

Strategic Objective 4: Increase and improve school-family connections to develop a more supportive and collaborative environment that promotes equitable outcomes and removes barriers.

Strategic Objective 5: Optimize community partnerships to systematically align with BVSD's priorities.

Strategic Objective 6: Align to a common, research-based framework that ensures all students and adults feel supported, respected and safe.
